ROADSHOW for the week beginning April 19, 2010

Inclement weather or other unforeseen circumstances may occur, so the information below is strictly of an advisory nature and is subject to change with no notice.

No interstate lane closures will be allowed in Jefferson County on Saturday, April 17th due to the Kentucky Derby Festival Thunder Over Louisville

Pothole patching, sweeping, drain & ditch cleaning, pavement marking, and maintenance crews may work on major interstates in the Louisville Metro area only during non-peak daytime hours and at night. Motorists should watch for roadside maintenance and pavement marking crews on interstates and highways throughout the rest of the district on a daily basis.

Jefferson County:

Interstate 264: Lane closures and delays expected in both directions between Preston Highway and Interstate 64 (mile points 12.4 and 18.7) due to concrete pavement repairs. The roadway may be reduced to three lanes weeknights Monday – Friday from 8:00 p.m. and 10:00 p.m. After 10:00 p.m., the roadway may be reduced to two lanes until 6:00 a.m. the following morning. On weekends, lane closures are possible from 8:00 p.m. on Friday until 6:00 a.m. on Monday. The speed limit will be reduced to 45 MPH in the construction zone and double fines will be enforced. Construction is scheduled for completion in May 2010.

Interstate 65: Lane closures and delays possible in both directions between the Outer Loop and Jefferson/Bullitt County line (mile points 126.7 and 123.1) due to installation of traffic counting devices. Lane closures possible **Monday, April 19th through Wednesday, April 21st from 9:00 p.m. each evening until 5:00 a.m. the following morning.**

Interstate 264/Interstate 64 interchange: Shoulder closures and delays possible at the ramp to westbound I-64 approaching the Sherman Minton Bridge (mile point 0.1) due to ramp replacement. **Entrance ramp from Bank Street to westbound I-264 is at a STOP condition, no longer a merge condition.** Intermittent lane closures possible on Northwestern Parkway underneath I-264.

Interstate 64: Lane closures and delays possible between I-265 and the Jefferson/Shelby County line (mile points 18.8 and 23.9) **April 19-23 from 7:00 p.m. each evening until 6:00 a.m. the following morning** due to roadway widening. The speed limit is reduced to **55 MPH** in the construction zone and this is a **double fine work zone**. Construction is scheduled for completion in the fall of 2010. As part of this project, **Clark Station Road is closed at the I-64 overpass. The road is closed until November for removal and replacement of the bridge. Motorists should follow the signed detour via US 60 to Conner Station Road (in Shelby County) to KY 148.**

Interstate 264: Shoulder closures possible between US 60 and US 42 (mile points 19.8 and 22.2) due to construction of an interchange at Westport Road. Watch for construction vehicles entering and exiting the roadway. The **speed limit is reduced to 45 MPH** in the construction zone. Lane closures and delays are also possible on Westport Road between Hubbards Lane and I-264 (mile points 0.9 and 1.9). Speed limit on Westport Road has been **reduced to 25 MPH** in the construction zone. Construction is scheduled for completion in the spring of 2010.

US 60A (Eastern Parkway): Roadway is **closed** between Hahn Street and the entrance to the J. B. Speed School of Engineering (mile point 3.8 to 3.7). This closure will allow for extensive repairs to the bridge over the CSX Railroad. Motorists should follow the signed detour via Crittenden Drive, Central Avenue and Third Street (KY 1020).

KY 1703 (Newburg Road): Roadway is reduced to one lane in each direction at Produce Lane (mile point 0.99) due to bridge repairs.

Bullitt County:

US 31EX: Lane closures and delays possible along entire route (mile point 0 to 2.4) due to roadway resurfacing.

KY 1494 (Beech Grove Road): Roadway is **closed** at the bridge over Long Lick Creek (mile point 5.5) due to bridge replacement. Motorists should detour the area via KY 61.

Franklin County:

US 60 (Capital Avenue Bridge): Lane closures and delays possible on the bridge (mile point 8.4) due to bridge repairs and painting. One lane of traffic in each direction will be maintained.

US 421 (Leestown Road): Construction delays are possible between Chenault Road and US 60 (mile points 1.5 and 3.0) due to roadway widening. Motorists should watch for construction vehicles in the area. Construction is scheduled for completion in the fall of 2010.

Henry County:

KY 22: Lane closures and delays possible at the Kentucky River Bridge near the Owen County line (mile point 22.4) due to construction of a new bridge. Lane closures and delays are also possible on KY 355 in Owen County at mile point 6.6.

Oldham County:

Routine maintenance

Shelby County:

Interstate 64: Lane closures and delays possible between the Jefferson/Shelby County line and the Simpsonville exit (mile points 23.2 to 28.1) **April 19-23, 2010 from 7:00 p.m. until 6:00 a.m. the following morning** due to roadway widening. The speed limit is reduced to **55 MPH** in the construction zone. Construction is scheduled for completion in the summer of 2011.

Shelbyville Bypass construction: Construction delays are possible at Harrington Mill and KY 53 due to bypass work. Temporary diversions have been constructed at these roadways.

Spencer County:

Routine maintenance

Trimble County:

Routine maintenance
